Gurmeet Singh Meet Hayer at the inauguration of Industry Institute Interface in Patiala

Ind, academia band against Punjab pollution

Patiala: The Thapar Institute of Engineering and Technology (TIET) and Punjab Pollution Control Board (PPCB) jointly initiated the Industry Institute Interface (I3) Meet on Wednesday. On the occasion, Punjab science, technology and environment minister Gurmeet Singh Meet Hayer launched the I3 website for industry-academia interaction. "It will be a single-window solution for listing all industrial problems and finding experts who have the solutions," he said.
