Awards

[SIG 01 – B4S – Business for Society]

We are thrilled to share that a prestigious and collaborative* sponsored research project with a grant-in-aid of INR 1.5 million was awarded to us by Indian Council of Social Science Research (ICSSR) under the special call for Vision Viksit Bharat @ 2047, Ministry of Education, Government of India.

This project explores religious tourism in Eastern Uttar Pradesh, focusing on infrastructure, safety, and cultural experiences. Through this research, we aim to gain valuable insights that can contribute to policy-making and sustainable tourism development in the region and in India as a whole.
