## Thapar Institute inks pact with NVIDIA to set up AI school

TIMES NEWS NETWORK

**Chandigarh:** The Thapar Institute of Engineering & Technology (TIET) has announced signing of an MoU and collaboration with NVIDIA to establish the Thapar School of Advanced AI & Data Science (TSAAI).

The TSAAI will be established with the technical support from the NVIDIA AI University program.

As per the MoU signed between the TIET and NVIDIA, the TSAAI will be established at the TIET campus in Patiala. The initiative aims to offer a range of academic programmes, research opportunities, and innovation projects to empower both students and faculty with es-

sential AI (artificial intelligence) skills and knowledge.

"We are excited about the opportunity to establish this AI school, in technical collaboration with NVIDIA,"

said Dr Padmakumar Nair, director, Thapar Institute of Engineering & Technology. "This work will not only bridge the gap in AI expertise, but also pave the way for cutting-edge research and innovation in this transformative field," he said.

"As a key player in the global AI education initiative, Thapar Institute will integrate cutting-edge NVIDIA technologies to cultivate a new generation of AI experts across India," said Vishal Dhupar, managing director, Asia South, NVIDIA. "The new AI school will help bridge the gap in AI expertise and pave the way for breakthrough research and innovation in the industry," he added.
